<b>Total Impervious Surface Area to be managed (sum of all areas)</b>					

For all regulated activities that involve the creation of new impervious surface areas EQUAL to or GREATER than 5,000 square feet, the applicant must submit a Stormwater Management Site Plan & Report as defined in Article VII of the Ordinance and implement volume and rate controls.

If the Total Impervious Surface Area is LESS THAN 5,000 square feet, or the proposed development is a Single Family Residential activity implementing the minimum measures in Section 302.E, read, acknowledge, and sign below.

Based Upon the information you have provided a **Stormwater Management Site Plan & Report IS NOT required** for this regulated activity. Wetmore Township may request additional information and/or a SWM for any reason.

Applicant or Property Owner certifies that Sections 302.A, 302.B, and 302.C have been adequately addressed and acknowledges that a submission of inaccurate information may result in a stop work order or permit revocation. Acknowledgement of such is by signature below. I declare that I am the owner or the owner's legal representative. I further acknowledge that the information provided is accurate and employees of Wetmore Township are granted access to the above described property for review and inspection as they deem necessary.
