#### F. PLOT / FLOOR PLAN:

Include a drawing of your property (a plot plan) and a floor plan of the proposed cabin on a separate sheet of paper, at a sufficiently large scale to show the construction / development area and adjacent areas so that the plotted items can be easily identified. NOTE: Failure to provide an acceptable Plan will add timely delays and costs to your Application. The Plot / Floor Plan must include:

- Lot lines and lot sizes.
- · A floor plan of the proposed building indicating the location of the required smoke detectors and fire extinguishers
- Existing and proposed streets, roadways, access roads, existing and proposed rights-of-way etc
- Existing and proposed drinking water supplies (water wells & springs)
- Existing or proposed location of dwellings and the location of ALL other buildings on the site.
- Dimensions (length & width) of proposed construction: including buildings, driveways, sidewalks, patios and other out buildings...
- Floodplain and floodways (Federal Flood Insurance Mapping).
- Surface waters, including streams, wetlands, ponds and drainage ditches
- Location of septic system, privies, or sewer taps.
- Location of underground utilities.
- Areas of potential ground disturbance from lot clearing, grubbing, or other earth disturbance activities.
